## **MEU Activities**

The MEU of the institute inaugurated its working by holding a Teacher Training Program on Teaching Learning Methodology on 3<sup>rd</sup> March 2016, from 9.00 am- 3.00 pm. The programme was inaugurated by the Worthy Director & Officer-in-charge of MEU Prof. RC Siwach and was attended by 22 participants (one nominated faculty from each department). A total of eight lectures and 2 group activities were conducted by various members of the MEU. The programme was well received and appreciated by the participating faculty.

The next programme is scheduled on 30/04/16.
