No. - BPS/MCJR/26/1078

Dated:- 28/09/ 2026

(Corrigendum)

With reference to Advertisement No. BPS/03/JR/2026 for 30 vacant posts of Junior Resident, the number of applications received exceeds five times the total advertised vacancies. Accordingly, as per the established recruitment guidelines, a written screening test will be conducted on 05.10.2026 to shortlist candidates. This test is purely qualifying in nature, and the marks obtained will not be counted towards the final merit list. Consequently, the document verification scheduled for 29.09.2026 stands postponed. The revised schedule for the scrutiny of documents for shortlisted candidates will be notified in due course.
